

Goodwill Impacts Lives In Kane County!

Goodwill's Northeastern IL Territory

Our Mission

Our mission is to provide training, employment and supportive services for people with disabilities or disadvantages who seek greater independence.

Our Impact

For more than 100 years, Goodwill Industries of Southeastern Wisconsin and Metropolitan Chicago has served our communities during some of the hardest times in our country's history – a commitment we continued during the global health pandemic and social unrest addressing systemic racism. As we navigate these unprecedented times, Goodwill is unwavering in our commitment to a safe, sustainable and equitable experience, especially for our front-line employees who provide essential goods and services to the community.

We remain focused on our mission working to deepen our impact through service delivery and community engagement. We work with partners across two states and 23 counties to help people looking to find jobs, build skills, and progress in their life and careers.

Community Partnership: Kane County Lazarus House

At Goodwill, we believe in the Power of the Whole community working together to provide a “hand up” to support individuals with emergency needs in trying times.

We partner with [Lazarus House of Kane County](#) to further equip the organization in their essential work of providing safe shelter, food and a range of support services for families. Through our Goodwill Cares Community Assistance program, we provide vouchers to Lazarus House to distribute to people in the community for

the purchase of clothing and household items at a Goodwill Store & Donation Center. Our partnership helped a single mom, who spent two years living in a transitional living center working to overcome barriers to independent living. She was able to purchase household items for her family's new home. The partnership also assisted another woman, who had been homeless, with obtaining items for her new home as well as clothing for job interviews.
